

SECTION F. HEALTH SERVICES

PROVIDER NAME	DATE
STANDARDS	PROGRAM COMPLIANCE
1. The contractor has a means and procedure for ensuring the client has access to personal care, hygiene, health, and dental services by:	
a. Maintaining health records;	
b. Assisting the client to arrange appointments with health professionals;	
c. Assisting and ensuring transportation for the client to health services;	
d. Monitoring the client's implementation of medical treatment prescribed by health professionals; and	
e. Communicating directly with health professionals, as needed.	
2. The contractor ensures the client receives an annual physical and dental examination unless an exemption is granted, in writing, from the appropriate medical professional.	
3. The contractor documents client refusal to participate in health care services.	
4. There is a written description of events concerning client refusal to participate in health services.	
5. The contractor observes the client for changes in health status, including weakness, confusion, and loss of appetite.
